

## **JUNIOR GRANTS PROGRAM**

The raffle today is our only fundraiser for our Junior Grants Program. The funds are used to provide grants to Junior Girls Golf Programs, primarily High School Girls Golf teams. They use these funds to purchase equipment, uniforms and more for their school golf program. Your generosity is appreciated, especially today, as many school sport programs are being adversely affected by budget cuts. Please go to our website and see what a difference your donation makes. In 2009 with your help PWGA awarded 25 grants.

**Thank you to the following Companies who so generously  
donated Rounds of Golf for our Spring Partners and Mixed  
Couples Tournaments in 2010.**
